Dear Friends and Supporters,

Greetings in the name of our Lord and Savior Jesus Christ! We hope this letter finds you well and encouraged in your walk with Him. We are excited to share some incredible updates with you, as well as a few prayer requests for the ministry that God continues to grow in ways we could never have imagined.

A New Home - A Blessing from God

First and foremost, we have moved! After faithfully following God's call to Moore, South Carolina, and renting for a season, God has provided us with a new home that is truly an answer to prayer. This blessing reminds us daily of God's faithfulness and His provision for our family and ministry. We are so grateful for your prayers and support during this time of transition, and we are eager to see how God will use this new space as a base for His work.

Growing Partnerships and Expanding Ministry

The past few months have been a season of growth for Mission Display. God has opened doors we never anticipated, and new partners are coming on board every week. Through platforms like Facebook, we have been able to connect with pastors and church leaders across the nation, many of whom have taken us on for support. These new church partnerships not only provide financial support but allow us the privilege of updating their Mission Display regularly. It is a joy to see the impact Digital Missions Displays are having in connecting congregations to the work of missionaries around the world.

We are also thrilled to share that Paul recently had the opportunity to speak at Calvary Baptist in Pacolet, South Carolina, and it was a powerful time of sharing our heart for missions and encouraging the congregation. God continues to open doors for Paul to speak, and we are excited about several upcoming opportunities in North Carolina this September. Please pray for these engagements, that the message of Digital Missions would inspire more churches to partner with us in reaching the world for Christ.

Prayer Request: International Conference on Missions

Looking ahead, we are preparing for a significant opportunity at the International Conference on Missions this November. We will be presenting both the Digital Missions Display and the Missionary Profile Podcast. This is a pivotal event for us as it will allow us to share our vision with a wider audience of missionaries, pastors, and church leaders. Please join us in praying for God's favor and guidance as we prepare for this important event. Pray that hearts would be stirred and that many would catch the vision for using technology to advance the gospel.

Thank you for your faithful prayers and support. We truly feel carried by them as we follow God's leading in this ministry. We are excited for what lies ahead and for the opportunity to partner with you in sharing Christ's love with the nations.

Praise & Prayer Requests:

- Praise God for His provision of our new home and a smooth transition for our family.
- Pray for the continued growth of partnerships with churches and pastors, that they would be encouraged by the work of Digital Missions Display.
- Pray for Paul's upcoming speaking engagements in North Carolina in September—that God would use these opportunities to spread the vision of missions and reach new partners.
- Lift up the International Conference on Missions in November, asking God to bless our presentations and stir the hearts of those attending.
