

JULY 2024

Greetings Friends & Fellow Laborers.

“To every thing there is a season, and a time to every purpose under the heaven:”
Ecclesiastes 3:1. While we may not know what “time or season” we are going through or will go through, we are promised that as born-again believers that we will not go through it alone!

The last few months have brought about many changes. Our son Cole graduated high school with honors, in the month of May and is now working full time as an Electrical Apprentice. He plans to start college in the fall while still working full time. We are extremely proud of the young man he is becoming, and we ask that you keep him in your prayers that the Lord will continue to have his will and way in Cole’s life & ministry.

We have had the privilege to do some pulpit relief over the last few months and we stand amazed what God can do through our lives. We have also had the opportunity to visit a few churches and present our burden and ministry over the last few months. We ask that you continue to pray that the Lord will open more doors for us to do so in the future.

We are still dealing with the oil leak on our truck and after getting a second opinion, the “worst case scenario” was confirmed. It’s going to be a costly fix! We were advised not to travel far with it, in the condition that it is in while pulling our equipment trailer. We ask you to keep this a matter of prayer as well. We know that the “times & seasons” are in God’s hand, and we know that in His time and in His will, it will be accomplished.

We have begun to work some in the PBMI office as the new “office assistant” and trying to help in any way that we can to further the Gospel around the World. We praise the Lord for those of you who support us faithfully. I know we may say it often, but we truly cannot do what the Lord has called us to do without your support. Both prayerfully and financially.

If we can be a help to you or your church family, please do not hesitate to contact us via email at: m2missions@att.net, or by phone at (864) 809-8233.

God Bless You,
