As many of you know, I lived in Guam and helped my family in the ministry there from January of 2019 to April of 2021. Since August of 2021, I have attended The Crown College of the Bible in Powell, TN where I met my fiancée, Bella. I am finishing my studies in missions ministry, and she is finishing her courses in Crown’s cosmetology program. While here, the Lord has given us amazing opportunities to serve Him: from hosting Bible studies in schools and on other college campuses, ministering in nursing homes, preaching in prison, and serving on bus routes. The Lord has blessed us in countless ways, and we give Him all the glory! *“Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, Unto Him be glory in the church by Christ Jesus throughout all ages, world without end. Amen.”* Eph. 3v20-21

When I was 9 years old, the Lord showed me my need of salvation. I realized that I was a sinner and that none of my good works were not going to save me from being eternally separated from God. I repented of my sin and trusted Christ as my Saviour. Ever since that moment, the Lord has given me the burden to share the glorious gospel of Jesus Christ with those who have not heard. When Bella was 16 years old, she accepted Christ as her Saviour after realizing she had never truly put her faith in Christ. She knew that only Jesus could fill that void that was in her life. Since that day the Lord has put the new desire to please Him in her heart. I surrendered my life to the Lord in the summer of 2022 while working as a camp counsellor at Lake Texoma Baptist Youth Camp. During the fall of 2022 while on a mission trip to the UK, the Lord made it abundantly clear that He wanted me to serve Him as a missionary. He has now opened a door at Lighthouse Baptist Church on the island of Guam from July 2025 to summer of 2026. After much prayer, we have decided to go to Guam to serve in the ministry there for a year and for me to fill the pulpit as my parents are on deputation.

That said, we would like to ask you to help us in two ways. First, would you please pray for us. We know God will continue to prepare us for the work He has for us to do, but we are still a little nervous because of the weight that will be placed on our shoulders. Secondly, I humbly ask for your financial support. Your support holds eternal weight. We both would have just graduated from college so we will be the poor-right-out-of-college-and-just-married couple. As Hudson Taylor said, “...Think of it, 25 cents plus all the promises of God.” I know God will supply all our needs because He said He would in Philippians 4v13. Would you partner with us most importantly in prayer? And would you pray what God would have you do to partner with us financially?

In Christ,  
*The Kings*
