CHURCH PLANTING MISSIONARIES TO NEVADA & SOUTHWEST USA

Dear Pastor and praying friends,

As many of you know, our family has recently officially begun our journey to the mission field where God has called us- Clark County, Nevada and the Southwest United States. God sure has been good to us along the way. We began our journey at the end of August at the Prayer Baptist Missions International Missions Conference and Candidate School. The conference was hosted by Brother Charlie Branch and Meadows Baptist Church in Walnut Cove, North Carolina. The entire week was a real blessing, filled with much to be gleaned from the great preaching and lessons taught by some great men of God. During this conference, our family was approved to join the Prayer Baptist Missions Family. We cannot say enough about the wonderful people who make up the mission board- from the board members themselves to the other missionary families. Each one has been a tremendous help and encouragement to us in these early days of deputation.

We attended our first meeting as missionaries of PBMI at our home church, Down East Baptist Church, on September 14, and were overwhelmed by the outpouring of love and support from our church family. Since that first meeting, we've had the privilege of being in close to ten meetings over the past month, and each one has been a blessing. Several churches have partnered with us for monthly support, and by the end of our first full month of deputation, we are excited to be approaching 10% of our needed support. In addition to monthly commitments, we've also received many generous love offerings- including one church in western North Carolina that graciously provided us funds to pay for the entirety of my second year of Bible college at North Georgia Baptist College.

God has been so good! While we still have a long way to go on our deputation journey, this first month has truly opened our eyes to the goodness of God and the love of His people across the country. We have been blessed to schedule several meetings for the remainder of the year, and we're continuing to pray that God will line us up and connect us with even more churches where we can share our burden for the 2.3 million souls in Clark County Nevada.

We want to thank each of you for your love and support throughout our journey. Please continue to pray that God will open doors for us across the country- not only for financial support, but also for opportunities to see souls saved as we travel and strive to be the salt and light in this world.

Laborers Together,
