Greetings, dear Friends,

Suzanne and I are set to leave Dec 2nd on our way back home, to Guam. This is always such a difficult time for us, as our hearts are so close to our sending/home church. Plus, we have treasured the love and blessings of so many churches over these past six months. It seems like every church we visited would be our home church “if we lived in that area”. Every church, pastor, and mission’s coordinator had made us to feel like “home folk”. It’s impossible for me to put into words how strongly we feel towards all those that have helped to carry us along our way. To each of you, let me say a thousand times, thank you: and we continually give thanks to God for your kindness towards us and our little church, there on Guam. At the bottom of this page is some general information regarding our support level. All this in just six months...

As you can imagine, we are keen to get back home and get back to work. We loved getting to meet so many new friends, but our hearts are on Guam, and we’ve had several life events among our church members over these last six months, for which we really need to be present in their lives. I know every pastor feels this, as a major part of the ministry there is comforting our people.

Caleb and Bella have been wonderfully used of the Lord in our stead. They are sad to leave as their hearts have also knitted together with our church, and because the Lord has done wondrously among them. We’ll be able to spend a couple days with them before they leave to come back to the states. I am attaching his letter with this one so that you can get a better idea of their work.

Our son Dan is staying in the States to attend college and will be greatly missed. Not only because he’s our son, but because he also carried a significant portion of the ministry in terms of helping me take care of the church. He is worthy of your prayers.

Please continue to pray for us as well. There are continued challenges and difficulties, but we are confident that God will enable us through your prayers.

Dear fellow labourers in Christ,

It would be impossible for me to put all God has done these last 4 ½ months into this prayer letter. I know no other way to say it except God has been so good and we give Him all the glory. As the apostle says in Eph. 3v20-21, *“Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, Unto Him be glory in the church by Christ Jesus throughout all ages, world without end. Amen.”* He has saved souls, brought others into a closer walk with Himself, and has opened more doors for us to serve Him! We get to serve our Creator and Saviour! As a mentor once told me, “Serving Jesus is the best life!”

We arrived on Guam July 2nd and hit the ground running. The Bolton’s had been filling in before my wife and I arrived on island. They were such a blessing and encouragement to us. We have been ministering at Lighthouse Baptist Church as my parents are on deputation. For the first month I was nervous about preaching since I had never preached on a weekly basis, but the Lord has been faithful and has revealed the power of His Word! We have had the amazing privilege to see the Lord save 3 of our youth and 5 more have made professions during our soul-winning outreach! The Lord is still saving souls and working in hearts! I have also had the opportunity to preach in two other churches on Guam. Lighthouse Baptist Church has been blessed to be a part of two youth rallies as well. As Hudson Taylor once said, “God is advancing”. God is advancing and we must advance with Him!

The main reason I am writing this letter is to update you on our current status. We found out a few months ago that my wife and I are expecting our first baby! Please pray for a healthy baby and healthy mom. After much prayer we believe it is best for us to return to the states for the sake of Bella and the baby. That said, we will be returning to the states the 2nd week of December. I apologize for the lateness of this update. We will try our best to come by each church that has supported us to give a more thorough report. Because of our early return, my parents will also be coming back to Guam earlier than anticipated, so please keep us all in your prayers.

Thank you for all your prayers and support!

In Christ,
The Kings
