CHURCH PLANTING MISSIONARIES TO NEVADA & SOUTHWEST USA

Dear Pastors and Praying Friends,

Since the beginning of 2026, we have been serving on deputation full-time. By God's grace, this transition has gone very smoothly, allowing us to remain focused on preaching the Gospel, seeing souls saved, and building relationships that will help us reach Clark County, Nevada. We have been overwhelmed with the support and advice from many of the pastors and their wives, and even Liza has made multiple friends during deputation! Although stepping away from our careers was not an easy decision, the Lord has faithfully provided. Being able to devote more time to our family and the ministry He has called us to has truly been a great blessing.

January brought a few early challenges, including sickness and weather-related cancellations due to snow. Despite these setbacks, the Lord allowed us to attend several meetings in both North and South Carolina. During this time, we were also blessed to meet and fellowship with many encouraging people, and we received generous support and heartfelt gifts that deeply impacted our family.

February proved to be a much stronger month. We were able to reschedule a previously cancelled meeting and saw more churches partner with us in support than in any month before. Although we remained relatively close to home, traveling briefly into Virginia, we stayed busy both in meetings and scheduling future engagements. I also completed the second quarter of my second year at North Georgia Baptist and will begin the final quarter in March.

As March begins, we are nearing 20% of our needed support and preparing for an extended trip to Louisiana, Mississippi, and Arkansas. We are grateful for all the Lord has already done and are excited to see what He has planned for the remainder of 2026. In May, we are planning a trip to Nevada and Utah for meetings as well as an opportunity to visit Clark County.

We sincerely appreciate your continued prayers and financial support. Please pray for safety as we travel, for continued growth in support, for souls to be saved, and for others to surrender to the mission field. Additionally, please pray that the Lord would allow us to begin planting churches in Clark County as soon as possible.
