CHURCH PLANTING MISSIONARIES TO NEVADA & SOUTHWEST USA

Dear Pastors and Praying Friends,

The past two months have been full and fruitful for the Glover family. We have traveled through seven states, presenting our ministry and experiencing many of God's blessings along the way. March was especially memorable as we celebrated both Liza's fourth birthday—with a special trip to the zoo while in Mississippi—and Janie's birthday as well.

Although a few meetings shifted early in the month, the Lord faithfully worked everything out. We were able to present our ministry in every scheduled church across Mississippi and Louisiana, along with a few additional meetings. During this time, we made many new friends and saw the Lord begin to grow our support.

We celebrated Resurrection Sunday in Kentucky and were thankful for the opportunity to spend time with family. In April, we traveled through North Carolina and Virginia, much of it through the mountain regions, where we were blessed to connect with new churches and form meaningful partnerships.

These months of travel have taught us much. We have seen God's grace in ways we did not expect—from safe travels across many miles to the growth and endurance He has given our family. Even our four-year-old, who once struggled with short trips, now travels long distances with ease. The Lord has also protected our vehicle and allowed us to continue without any major issues.

We are especially thankful for the people God has brought into our lives. Many pastors, their families, and church members have welcomed us not simply as visiting missionaries, but as family. This encouragement has meant so much to us. We are grateful to report that our support has steadily increased to around 25%, and we give God all the glory.

As we look ahead to May and June, we will be traveling farther than ever before, with meetings scheduled in Texas, Nevada, Utah, and Arizona. We ask for your continued prayers for safety on the road, but even more importantly, for opportunities to share the Gospel. The Lord has already opened many doors for witnessing during our travels, often through simple conversations about where we are from.

Please also pray that our support will continue to grow so that we may reach the field as soon as possible. We are deeply grateful for your faithful partnership through both prayer and financial support. Your love and encouragement do not go unnoticed, and we thank God for each of you.
