Prayers

-Laborers to be called to the mission field
-Souls to be saved
-Continued safe travels
-Health

Praises

-Safe travels
-Friendships
-50% support!

Dear Pastors and Praying Friends,

We have had a busy few months, but the Lord has been so good to us throughout our travels! We praise Him for allowing us to visit 4 states, 20 churches, and be a part of 6 missions conferences over the past two months.

We began September in Mississippi, where we had the opportunity to attend a camp meeting and make new friendships and connections. During our time there, we experienced some unexpected car trouble when our battery and alternator quit. However, the Lord was already working behind the scenes! We had a mechanic riding with us when the trouble began, and a member of a local church graciously offered to do the labor to replace them at no cost to us. We are so thankful for the Lord's provision through His people!

From there, we headed to Georgia for a missions conference at the home church of the Howards, missionaries to St. George, Utah, whom we will be working with when we reach the field. This was also the church my Bible college is out of, so it was a blessing to meet some familiar names. I had the opportunity to speak at the youth night and school chapel while there. We were encouraged by the testimony of a national pastor from India; his testimony truly inspired us and renewed our desire to get to Nevada and begin the work the Lord has called us to do.

We spent most of our trip in Texas and New Mexico. The Lord used this time to greatly encourage us as we visited church plants throughout the West in similar areas to where we will be. It was a blessing to see believers with a genuine desire to grow in their walk with Christ and faithfully serve in their local churches – many who had been directly impacted by a local church plant. We were also encouraged by pastors who are not only seeking to grow their churches but are looking for opportunities to reach surrounding communities with the Gospel.

We experienced an unusual amount of rain in the desert during our travels, but it certainly did not keep us from enjoying the beauty of God's creation! We also had the opportunity to visit churches in the "original Las Vegas" in New Mexico. While there, we were able to have lunch with the Howard family as they traveled through the area. It was a blessing to fellowship with them, discuss our plans to move to Nevada in the spring of 2027, and continue to learn from them.

We finished our trip back in Georgia before heading home to North Carolina for a few days. As we travel, we continue to be amazed by the Lord's work in our lives and the lives of others. We are constantly reminded of the goodness of God and His people! We have been blessed through love offerings, gift bags and baskets, meals, and special trips and activities. These acts of kindness mean so much to our family and are a wonderful reminder that we are not alone in this work.

We are especially thankful that several churches have taken us on for financial support during these past two months. We also heard from a few churches we visited earlier this year, and we are excited to share that we have officially made it to the 50% mark in our support! What an encouragement as we continue preparing to reach Mesquite, Nevada, with the Gospel!

Please continue to pray for our family as we travel frequently over the next couple of months during the holiday season. Pray for safety, continued opportunities to share our burden for the West, and for the Lord to continue preparing hearts in Mesquite as we prepare to go. Thank you for your prayers, encouragement, and faithful partnership in reaching the lost!

Laborers Together,
Brian Glover & Family
